

DENIELLE JEANMICHAEL DAHINA

Web Developer | Front End Engineer

dahinadenielle@gmail.com | 09650552556 | Angeles City, Pampanga, Philippines

PROFESSIONAL SUMMARY

Results-driven Front End Developer with 5+ years of experience building and maintaining responsive web applications across CMS platforms, Angular frameworks, and e-commerce systems. Proficient in HTML, CSS, JavaScript, TypeScript, Angular, Shopify, WordPress, and HubSpot. Experienced in full-stack adjacent workflows including REST API integration and MongoDB data handling. Adept at translating designs from Figma/Adobe XD into pixel-perfect, high-performance web experiences.

PROFESSIONAL EXPERIENCE

Web Developers

Cloudstaff | 2021 – Present

- Built and maintained e-commerce websites using Shopify and WordPress platforms for multiple clients.
- Customized Shopify theme components and integrated third-party Shopify apps to meet business requirements.
- Performed ongoing site maintenance, performance improvements, and bug fixes on Shopify storefronts.
- Customized WordPress themes and plugins to align with client specifications and design standards.

Associate Front End Developer

Toro Philippines | 2021 – 2025

- Developed a HubSpot website from Figma/Adobe XD designs using HubSpot's HubL templating language.
- Built front-end web applications using Angular and TypeScript, consuming Node.js REST API endpoints to store and retrieve data from a MongoDB database.
- Implemented UI improvements, resolved bugs, and wrote unit tests using Angular Testing Library and Jest to improve application stability and code reliability.

Freelance Web Developer

Self-Employed | 2020 – 2021

- Converted UI/UX designs from Adobe XD and Figma into fully responsive websites using HTML5, CSS3, JavaScript/jQuery, Bootstrap, and Tailwind CSS.
- Delivered web solutions across popular CMS platforms including Shopify, WordPress, and HubSpot.
